The services of the National Mediation Board (Board) were invoked by the International Brotherhood of Teamsters (IBT) on December 10, 2002, to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as "Mechanics," employees of Pakistan International Airlines Corp.

At the time this application was received, these employees were not represented by any organization or individual.

The Board assigned Investigator Susanna Pequignot to investigate.

FINDINGS

The investigation disclosed that a dispute existed among the craft or class of Mechanics, and by direction of the Board, the Investigator was instructed to conduct an election to determine the employees' representation choice.

The following is the result of the election as reported by Investigator Pequignot.

The Board further finds that the Carrier and employees in this case are, respectively, a Carrier and employees within the meaning of the RLA, as amended; that this Board has jurisdiction over the dispute involved herein; and that the interested parties, as well as the Carrier, were given due notice of the Board's investigation.

CERTIFICATION

NOW, THEREFORE, in accordance with Section 2, Ninth, of the RLA, as amended, and based upon its investigation pursuant thereto, the Board certifies that the IBT has been duly designated and authorized to represent for the purposes of the RLA, as amended, the craft or class of Mechanics, employees of Pakistan International Airlines Corp., its successors and assigns.
