CASE NO. R-7177

CERTIFICATION

December 12, 2008

The services of the National Mediation Board (Board) were invoked by the International Association of Machinists and Aerospace Workers (IAM) on October 27, 2008, to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as "Operating Employees," employees of South Central Florida Express, Inc. (Carrier).

At the time this application was received, these employees were unrepresented.

The Board assigned Investigator Sarah Halpin to investigate.

FINDINGS

The investigation disclosed that a dispute existed among the craft or class of Operating Employees, and by direction of the Board, the Investigator was instructed to conduct an election to determine the employees' representation choice.

The following is the result of the election as reported by Investigator Halpin.

The Board further finds that: the Carrier and employees in this case are, respectively, a Carrier and employees within the meaning of the RLA, as amended; this Board has jurisdiction over the dispute involved herein; and the interested parties, as well as the Carrier, were given due notice of the Board's investigation.

CERTIFICATION

NOW, THEREFORE, in accordance with Section 2, Ninth, of the RLA, as amended, and based upon its investigation pursuant thereto, the Board certifies that the IAM has been duly designated and authorized to represent for the purposes of the RLA, as amended, the craft or class of Operating Employees, employees of South Central Florida Express, Inc., its successors and assigns.
