In the Matter of the

REPRESENTATION OF
EMPLOYEES

of

US AIRWAYS, INC.

Airport Services Training
Instructors

36 NMB No. 26

CASE NO. R-7194

DISMISSAL

February 23, 2009

The services of the National Mediation Board (Board) were invoked by the Transport Workers Union of America, AFL-CIO (TWU) on November 21, 2008, to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as "Airport Services Training Instructors," employees of US Airways, Inc. (Carrier).

At the time this application was received, these employees were unrepresented.

The Board assigned Investigator Eileen Hennessey to investigate.

FINDINGS

The investigation disclosed that a dispute existed among the craft or class of Airport Services Training Instructors, and by direction of the Board, the Investigator was instructed to conduct an election to determine the employees' representation choice.

The following is the result of the election as reported by Investigator Hennessey.

Eligible Employees	38
TWU	12

The Board further finds that: the Carrier and employees in this case are, respectively, a Carrier and employees within the meaning of the RLA, as amended; this Board has jurisdiction over the dispute involved herein; and the interested parties, as well as the Carrier, were given due notice of the Board's investigation.

On the basis of the investigation and report of election which establishes that less than a majority of eligible employees cast valid votes for representation, the Board finds no basis for certification and the application is, therefore, dismissed subject to Part 1206.4(b) of the NMB Rules.

By direction of the NATIONAL MEDIATION BOARD.
