37 NMB No. 30
CASE NO. R-7231
CERTIFICATION
March 3, 2010

The services of the National Mediation Board (Board) were invoked by the International Longshoreman Association on December 23, 2009, to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as “Coal Loading Supervisors,” employees of CSX Transportation (Carrier).

At the time this application was received, these employees were represented by the Independent Supervisors Union.

The Board assigned Investigator Marie-Kate Dowling to investigate.

FINDINGS

The investigation disclosed that a dispute existed among the craft or class of Coal Loading Supervisors, and by direction of the Board, the Investigator was instructed to conduct an election to determine the employees' representation choice.

The following is the result of the election as reported by Investigator Dowling.

CERTIFICATION

NOW, THEREFORE, in accordance with Section 2, Ninth, of the RLA, as amended, and based upon its investigation pursuant thereto, the Board certifies that the International Longshoreman Association has been duly designated and authorized to represent for the purposes of the RLA, as amended, the craft or class of Coal Loading Supervisors, employees of CSX Transportation, its successors and assigns.
