The services of the National Mediation Board (Board) were invoked by the International Association of Machinists & Aerospace Workers (IAM) on March 11, 2010, to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as "Maintenance of Way Employees," employees of San Joaquin Valley Railroad (Carrier).

At the time this application was received, these employees were unrepresented.

The Board assigned Investigator Cristina A. Bonaca to investigate.

FINDINGS

The investigation disclosed that a dispute existed among the craft or class of Maintenance of Way Employees, and by direction of the Board, the Investigator was instructed to conduct an election to determine the employees' representation choice.

The following is the result of the election as reported by Investigator Bonaca.

CERTIFICATION

NOW, THEREFORE, in accordance with Section 2, Ninth, of the RLA, as amended, and based upon its investigation pursuant thereto, the Board certifies that the International Association of Machinists & Aerospace Workers has been duly designated and authorized to represent for the purposes of the RLA, as amended, the craft or class of Maintenance of Way Employees, employees of San Joaquin Valley Railroad, its successors and assigns.
