38 NMB No. 5
CASE NO. R-7259
CERTIFICATION
October 22, 2010

The services of the National Mediation Board (Board) were invoked by the International Brotherhood of Teamsters on August 20, 2010, to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as "Stock Clerks," employees of Atlantic Southeast Airlines (Carrier).

At the time this application was received, these employees were unrepresented.

The Board assigned Investigator Norman L. Graber to investigate.

FINDINGS

The investigation disclosed that a dispute existed among the craft or class of Stock Clerks, and by direction of the Board, the Investigator was instructed to conduct an election to determine the employees' representation choice.

The following is the result of the election as reported by Investigator Graber.

<u>Election Results for Stock Clerks</u>	
Eligible Employees	58
Total Valid Votes	51

The Board further finds that: the Carrier and employees in this case are, respectively, a Carrier and employees within the meaning of the RLA, as amended; this Board has jurisdiction over the dispute involved herein; and the interested parties, as well as the Carrier, were given due notice of the Board's investigation.

CERTIFICATION

NOW, THEREFORE, in accordance with Section 2, Ninth, of the RLA, as amended, and based upon its investigation pursuant thereto, the Board certifies that the International Brotherhood of Teamsters has been duly designated and authorized to represent for the purposes of the RLA, as amended, the craft or class of Stock Clerks, employees of Atlantic Southeast Airlines, its successors and assigns.

By direction of the NATIONAL MEDIATION BOARD.
