In the Matter of the

REPRESENTATION OF
EMPLOYEES

of

RYAN INTERNATIONAL AIRLINES

Mechanics and Related Employees

38 NMB No. 29

CASE NO. R-7271

DISMISSAL

February 4, 2011

The services of the National Mediation Board (Board) were invoked by the International Brotherhood of Teamsters on December 7, 2010, to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as “Mechanics and Related Employees,” employees of Ryan International Airlines (Carrier).

At the time this application was received, these employees were unrepresented.

The Board assigned Investigator Eileen M. Hennessey to investigate.

FINDINGS

The investigation disclosed that a dispute existed among the craft or class of Mechanics and Related Employees, and by direction of the Board, the Investigator was instructed to conduct an election to determine the employees' representation choice.

The following is the result of the election as reported by Investigator Hennessey.

<u>Election Results for Mechanics and Related Employees</u>	
Eligible Employees	50
Total Valid Votes	42
IBT	20
“No” Votes	22

The Board further finds that: the Carrier and employees in this case are, respectively, a Carrier and employees within the meaning of the RLA, as amended; this Board has jurisdiction over the dispute involved herein; and the interested parties, as well as the Carrier, were given due notice of the Board's investigation.

On the basis of the investigation and report of election which establishes that a majority of the valid votes cast was for no representation, the Board finds no basis for certification and the application is, therefore, dismissed subject to Part 1206.4(b) of the NMB Rules.

By direction of the NATIONAL MEDIATION BOARD.
