WASHINGTON, DC 20572

(202) 692-5000

In the Matter of the

REPRESENTATION OF
EMPLOYEES

of

EASTERN IDAHO RAILROAD

Train & Engine Service Employees

40 NMB No. 47

CASE NO. R-7358

DISMISSAL

April 18, 2013

The services of the National Mediation Board (Board) were invoked by the Switch Cat's on December 17, 2012, to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as "Train & Engine Service Employees," employees of Eastern Idaho Railroad (Carrier).

At the time this application was received, these employees were represented by the Brotherhood of Locomotive Engineers and Trainmen.

The Board assigned Investigator Norman L. Graber to investigate.

FINDINGS

The investigation disclosed that a dispute existed among the craft or class of Train & Engine Service Employees, and by direction of the Board, the Investigator was instructed to conduct an election to determine the employees' representation choice.

The following is the result of the election as reported by Investigator Graber.

<u>Election Results for Train & Engine Service Employees</u>	
Eligible Employees	21
Total Valid Votes	15
Switch Cat's	1
BLET	0
Void Votes	0
"No" Votes	14

The Board further finds that: the Carrier and employees in this case are, respectively, a Carrier and employees within the meaning of the RLA, as amended; this Board has jurisdiction over the dispute involved herein; and the interested parties, as well as the Carrier, were given due notice of the Board's investigation.

On the basis of the investigation and report of election which establishes that a majority of the valid votes cast was for no representation, the Board finds no basis for certification and the application is, therefore, dismissed subject to Part 1206.4(b) of the NMB Rules.

By direction of the NATIONAL MEDIATION BOARD.
