February 19, 2016

The services of the National Mediation Board (Board) were invoked by the Brotherhood of Maintenance of Way Employees Division-IBT on November 16, 2015, to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as "Locomotive Mechanics," employees of The New York, Susquehanna & Western Railway (Carrier).

At the time this application was received, these employees were unrepresented.

The Board assigned Investigator Eileen M. Hennessey to investigate.

FINDINGS

The investigation disclosed that a dispute existed among the craft or class of Locomotive Mechanics, and by direction of the Board, the Investigator was instructed to conduct an election to determine the employees' representation choice.

The following is the result of the election as reported by Investigator Hennessey.
