In the Matter of the
REPRESENTATION OF
EMPLOYEES
of
NORTHERN AIR CARGO
Dispatchers

49 NMB No. 34

CASE NO. RD-7586

DISMISSAL

July 21, 2022

The services of the National Mediation Board (Board) were invoked by Jesse Hefely on April 26, 2022, to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as “Dispatchers,” employees of Northern Air Cargo (Carrier).

At the time this application was received, these employees were represented by the International Brotherhood of Teamsters–Airline Division (IBT).

The Board assigned Investigator Eileen M. Hennessey to investigate.

FINDINGS

The investigation disclosed that a dispute existed among the craft or class of Dispatchers, and by direction of the Board, the Investigator was instructed to conduct a mail ballot election to determine the employees' representation choice.

The following is the result of the election as reported by Investigator Hennessey.

<u>Election Results for Dispatchers</u>	
Eligible Employees	8
Total Valid Votes	7
IBT	0
“No” Votes	7
Void Votes	0
Write-in Vote	0

The Board further finds that: the Carrier and employees in this case are, respectively, a Carrier and employees within the meaning of the RLA, as amended; this Board has jurisdiction over the dispute involved herein; and the interested parties, as well as the Carrier, were given due notice of the Board's investigation.

On the basis of the investigation and report of election which establishes that a majority of the valid votes cast was for no representation, the Board finds no basis for certification and the application is, therefore, dismissed subject to Part 1206.4(a) of the NMB Rules.

By direction of the NATIONAL MEDIATION BOARD.
